## **USA** HEALTH

## Online Patient Portal Easy. Convenient. Secure.

Using your own secure password, you can log into the online patient portal 24 hours a day, 7 days a week from the comfort and privacy of your home.

## Patient Portal Service allows you to retrieve test results

By typing the following address

https://16253.portal.athenahealth.com/ into your web browser, you will be directed to the following sign in page:

IH &J	USA Health Care Authority	USA Health Care Authority
Dial 911 in the case of a medical emerg	ency	Return to Sign.
Welcome to the USA	HEALTH Patient Portal	Create Account 1 Enter information 2 Verify identity 3 Set password
Make a One-Time Payment QuickPay Code, Statement ID, or Access Code	Sign In to Your Portal Account We're using athenaheath to help you access your health information for different doctors' offices with just one email and password.	Note: Only current patients and family members can create a portal account. Who will use this account? • Patient  Patient's family member
Where can I find my code? By clicking Make a Payment, you represent that you are authorized to address the patient's billing matters.	Start by clicking the button below, and logging in with the email and password you already use.	Patient Information First name  Last name
Make a Payment	Forgot your password? Questions? Learn more. Don't have an account? Sign up today to stay connected to your healthdare.	Date of birth * Gender * Month © Day © Year © Male Female Email *
		Phone • Is this a mobile phone? •

Select the **"Sign up today"** link. You will be asked if this account is for you or a family member. You will then enter first and last name, phone number, date of birth and email address. You will then be prompted to answer the security questions and create your own unique password.

The information entered must match the demographic information provided at registration. If you need assistance, please email DMathis@health.southalabama.edu

If you already have an account with USA Health Health Care Authority, you'll simply type in the email address that you have provided to the medical office and your password. Then you will hit **"sign in"** to login to your account.

## How to retrieve test results:

- Select My Health
- Select Test Results
