

- Employees will be tested at the USA Health Testing Site at the Mobile Civic Center.
- Testing center staff will provide employees testing **COVID NEGATIVE** a form to complete.
- Employees having difficulty completing the form will be instructed to call their supervisor for assistance.
- **COVID NEGATIVE** employees having a fever, active vomiting or diarrhea are **not to return to work until these symptoms improve.**
- Employees are instructed to call their supervisor after leaving the testing center whether they test positive or negative.
- Employees are to provide the completed form to their supervisor when returning to work.
